

Customer Service Manager

We are looking to fill a Customer Account Manager position.

We look for candidates who have enthusiasm and a desire to work in an exciting, fast-paced environment where every day is uniquely different. This is a perfect position for emerging professionals looking to work with a growing international company.

Customer Account Managers are engaged in direct client interaction with the support of our diverse team of professionals at an assigned location. Working as a team in a decentralized management structure empowers our teams to rapidly make decisions that impact how they perform. We keep an open-door policy for new ideas and encourage our team members to use their ingenuity to execute their duties in an experiential and results measured setting. The combination of this structure with our talented team members allows us to quickly respond to changing market conditions and to exceed the expectations of our clients. We welcome candidates with vibrant personalities and from diverse backgrounds.
